To Track Ads

To track ads, the advertiser must supply their ad tracking details, etc, with the image or other file, or they can track referrals from HHTM to the URLs their ads are linked to.

General

Advertisements are accepted and published based on the representations of the agency/advertiser that authorization has been given to publish the presented material. In consideration of the publication of advertisements, the advertiser/agency will indemnify the publisher and hold the publisher harmless from and against any claims or suits for libel, violation of the right or privacy, plagiarism, copyright infringement, trademark infringement, and any other claims based on or related to the contents. HHTM expressly disclaims any liability, and assumes no liability, if for any reason it becomes necessary to omit an advertisement.
