Presenter(s): Allison Treseder, AuD

New Frontiers in the Management of Ménière's Disease and Inner Ear Disorders

Presenter(s): Charles Limb, MD

Tuning Into Teleaudiology As A Benefit

Presenter(s): Kathleen Wallace, AuD and Juan Vasquez, AuD

Changing the Public Mindset About Hearing Loss: How Can Industry Help?

- *PANEL SESSION: Gael Hannan, Shari Eberts, Andrew Bellavia, Dave Kemp*

*Best estimate of time schedule provided, may be subject to change.

May 22nd, 10:00am to 6:00pm (EST)*

Past, Present and Future of CAPD & NeuroAudiology & the Salvation of Diagnostic Audiology

Presenter(s): Frank Musiek, PhD

Enhancing Human Auditory Function with Artificial Intelligence and Hearing Aids

Presenter(s): Dave Fabry, PhD

Impact of untreated hearing loss in older adults

Presenter(s): Dona Jayakody, PhD

Unlocking Breakthroughs: ReSound Nexia Research & Auracast Insights

Presenter(s): Miguel Angel Aranda de Toro, PhD and David Hollander

What can we learn from big data research in hearing healthcare?

Presenter(s): Vinaya Manchaiah, PhD

CaptionCall IPCTS by Sorenson

Presenter(s): Stephen DeMari, MS

Wax On, Wax Off: The Art of Cerumen Removal

Presenter(s): Nicole Denney, AuD

Envoy Medical: An Overview of Strategy for Future Technologies of Fully Implantable Hearing Devices

Presenter(s): Brent Lucas, Ben Roshko, Nancy Cohen, Megan Moroni

From Frustrated and Discouraged to Confident and Content: Smartphone Captioned Call Experiences with the InnoCaption App

Presenter(s): Michelle Hu, AuD

PANEL SESSION: TBA

*****Attendees will have on-demand access to sessions for up to 30 days*****

HHTM is approved by the American Academy of Audiology to offer Academy CEUs for this activity. The program is worth a maximum of 2.45 CEUs. Academy approval of this continuing education activity is based on course content only and does not imply endorsement of course content, specific products, or clinical procedure, or adherence of the event to the Academy's Code of Ethics. Any views that are presented are those of the presenter/CE Provider and not necessarily of the American Academy of Audiology.

This program has been submitted for review by the International Hearing Society to offer continuing education credit. IHS approval is based on the course's adherence to IHS's course approval requirements only and does not imply endorsement of the course content, specific products, clinical procedure, instructor or adherence to the IHS Code of Ethics. Any views that are presented are those of the presenter/Education Provider and not necessarily of the International Hearing Society.

Thank you sponsors!
